On October 24, 2005 the Provincetown Board of Selectmen voted, pursuant to MGL c. 40, §22F, to approve the recommendation of the Water and Sewer Board to establish the said minimum sewer bill schedule.

Sewer Connection Surcharge for Red Dot Properties

On July 12, 2007, the Provincetown Water and Sewer Board voted, pursuant to MGL c. 83, §16, to increase the connection surcharge rate from the current rate of $39.08/gallon of Title 5 flow to $45.00/gallon. On August 27, 2007 the Provincetown Board of Selectmen voted, pursuant to MGL c. 40, §22F, to approve the recommendation of the Water and Sewer Board effective November 1, 2007. This rate change affects only those Red Properties who have not connected to the sewer and who have not voluntarily begun paying a sewer connection surcharge. Red properties who connected to the sewer or who agreed to be assessed a connection surcharge prior to November 1, 2007 were assessed at the old rate of $39.08/gallon. Connections and requests for assessment of a sewer connection surcharge after November 1, 2007 shall be at the new rate.
