**Attending: Laura Ludwig, Elise Cozzi, Carla Anderson, Kaolin Davis and Lydia Hamnquist**

Meeting was called to order at 5:45pm and we then went into the Judge Welch Room to attend the Board of Selectmen meeting. Rich Waldo and David Quinn, Barnstable County waste reduction coordinator, joined us. BOS meeting called to order at 6pm and public statements and a meeting with the finance committee followed. At 7pm, we were called to the table and David Quinn gave a presentation of PAYT (pay as you throw). At the end of the presentation, the selectmen had some questions. David McChesney asked about the price of the bags, Elaine said we need to know our "profile" and Austin wants to know other options. At 7:30 we left the table. Laura motioned to adjourn, Elise seconded and meeting adjourned.
