

Recycling & Renewable Energy Committee

Approved minutes May 28, 2014

Present: Lydia Hamnquist, Jen Rumpza, Elise Cozzi, Eric Larsen

Carla died last Wednesday and we had a moment of appreciation for all she has done for us. Jen is determined to pursue Carlas's trash can project and to that end, Eric says he will have the cans delivered to the artists to do the work. Eric asked Lydia to send him a list of the trash and recycling cans that have had stickers applied.

Next meeting will be June 18 at 10am.
