

Harbor Committee

Public Meeting

Saturday, September 27, 2014

10AM

Center for Coastal Studies Larkin Hall

Hiebert Marine Lab, 5 Holway Ave.

AGENDA

Agenda posting to allow Harbor Committee members to participate with the public in a Coastal Resilience workshop aimed at creating a comprehensive beach management plan. This workshop will hear a preliminary report of the CCS sediment transport studies by Graham Geise and Mark Borrelli and begin to identify areas of critical need.
