1. The minutes of 5/14/15 were approved.
2. Carol and Sherry went before the Board of Health on June 4, 2015 to discuss the States' requirement that every Town have an Animal Inspector. As Provincetown already has an Animal Control Officer who is responsible for monitoring rabies and implementing quarantines, the primary duty of the Animal Inspector would be Barn Inspections. The BOH voted that the appointment of an Animal Inspector would be the responsibility of the AWC.

An article subsequently ran in the Banner asking for volunteers to contact the AWC if they were interested in applying for this volunteer position. There was no response. Sherry said she would volunteer for the position, and it was unanimously voted in favor. She is to contact Morgan Clark, who will then start the necessary paperwork.

3. Discussion ensued about nest-less baby birds. Carol stated she had taken 2 to Wildcare.
4. Next meeting 7/16/15.

Meeting adjourned at 12:20 pm.

Respectfully submitted,
Sherry Brec
Clerk pro tempore
