Installation of work in town buildings Neva reported that work has been installed in the Council On Aging offices and the DPW office. The Assessors office at town hall has requested several pieces which will be hung this month. Neva has plans to install at least 30 more pieces in town hall offices. We are hoping to have this done before town meeting so that we can show the town the new exhibition. Neva has received 100 security hangers for this work.
