Restroom Signage Changes to Town owned Single-Stall Restrooms

The Board of Selectmen voted on Monday, March 14, 2016, to implement a policy that single-stall restrooms be unisex or not have gender based designations; specifically the foyer restroom of Town Hall which will be identified as gender neutral with signs appropriately marked as “unisex,” and that all transsexual, gender non-conforming people be able to use bathrooms consistent with their gender identity. The Town Manager may identify other single-stall restrooms as gender neutral with appropriate “unisex” signage, at his discretion.
