

Animal Welfare Committee Meeting June 16, 2016, 12-00pm, COA/VMCC, 2 Mayflower Street, Provincetown, MA

Attending were Brec, Jutsum, Brooke, Murphy, MacDonald

Public: Sirota

1. The minutes of 5/19/16 were approved. Approval of the 3/17/16 minutes was postponed pending additional information being added.
2. Sherry designed and submitted the Animal Tips card for printing.
3. We are in baby bird season. "If you care, leave it there". Try to put back in the nest if possible. Of note, there is no hot line on the Cape.
4. Eider Duck disease. There is nothing that Wildcare or Cape Wildlife can do.
5. Note was made that a woman posted on Facebook that she took a wild gosling from Beech Forest home for an overnight stay, just to have the experience. This is NOT appropriate.
6. Elizabeth spoke about rabies vector animals (carriers), and the need to have a rabies vaccine, and to glove up (long gloves) when handling. Subsequently, Elizabeth emailed the committee a list of rabies vector animals(attachment 1).

Meeting adjourned at 12:29 pm.

Next meeting 7/21/16.

Respectfully submitted,  
Sherry Brec  
Clerk pro tempore
