

RREC meeting 3/21/17, Community Conference Room, Town Hall

Meeting called to order at 10:15. Members present: Lydia Hamnquist, Jen Rumpza, Laura Ludwig, Tess Knowles. Staff present: Eric Larsen, Anika Costa. General public: Carolyn Clough, Dolphin Fleet

Lydia moved to approve the minutes from 3/8/17; Jen 2nded and all were in favor.

Sidewalk Buttlers:

The CARE contract was signed by the Town Manager last week and Laura has submitted it to CARE. Lydia has fronted the cost of the initial purchase and once the project is complete CARE will reimburse her in full.

Once the design is complete (which we will determine today) the Buttlers will be shipped in 7-10 days. Eric will still be here (he will be on the job through April 6 at the latest, though his replacement may not be in place until May), so he will work with us to get them installed on Town properties.

This committee will work closely with DPW to ensure the collections take place.

At the YRF we got good feedback for the butt recycling program.

Regarding Buttlers for commercial locations, we want to coordinate our outreach. Jen offered to oversee our efforts on this front.

We decided to take a walk-about to look at targeted locations for the Buttlers.

Meeting adjourned at 11:20am.
