Nathan Butera had already gone to the School Auditorium regarding set up. He did not believe that there was enough room in front of the stage to set up chairs and tables for Trust. There will be 2 microphones. He will meet there by 5:00 with Megan.

Members reviewed notes and scripts for presentation.

There appears to be a firestorm on line regarding the Summer Workforce Housing for 120 days although also it appears to be a handful of people some of whom no longer live here. If the tide is too forceful, could delay for year. There has been some support. It was part of the Special Town Meeting presentation.

Housing Specialist to make some copies of reports including about 20 of the Housing Playbook, 2 of the Cape Cod Commission report, and 3 to 5 of the UMass report.

**Minutes:** Rob Anderson MOVE to approve the 10/11/17 minutes as written; Nathan Butera second; approved 4-0.
