Board of Selectmen

Policy Statement

2018-04-23

Board of Selectmen to be known as Select Board

Purpose:

The Provincetown Town Meeting voted under Article 19 of the April 2, 2018 Annual Town Meeting to adopt a non-binding resolution to change the title of the Board of Selectmen, the chief executive officer of the Town. In particular, there was strong sentiment to render the title of such board gender neutral.

Policy:

Upon the effective date of this Policy, the Board of Selectmen shall hereinafter be referred to and known as the Select Board. Individual members of the board shall be referred to as Select Member and the Chairperson shall be referred to as such, or as Chair.

This Policy shall have no effect on the powers and authorities of the Board of Selectmen as provided in the Massachusetts General Laws, state regulations, any special law applicable to the Town of Provincetown, the Town Charter, the Town Bylaws, or any rule or regulation of the Town.

Adopted: 4-23-18
