Guest: Lauren Ewing

No public comments
Minutes of May 8, 2018 were approved

Speiser reported that Provincetown BOS approved payment of most of residual \$20,000 to the artist for the AIDS Memorial; this has been paid. The BOS was also favorable to removing a section of hedge, and possibly benches and a brick apron. The Landscaping Committee will review. The existing light pole was discussed; we will evaluate after installation.

Winkler Crane Service will install the stones tomorrow; they will be covered with a tarp until the dedication event.

Ewing addressed a number of the technical elements of the installation, and expressed again her appreciation to the Council for our support of this project.

The Dedication will be set for Sat. June 16 at 1:00 pm.

Speakers: Marian Roth, Joe Carleo, Jay Critchley, and Michael Klein are confirmed. The artist will make remarks. Mittenthal will emcee, and will invite Town Manger Panogore to speak. Walsh will procure light refreshments. Stop & Shop has an established gift card program for non-profit organizations.

We plan to print a program that will be coordinated my Cherie.

Next meeting of PCC Monday June 11 at 6:00pm in Town Hall.

Meeting adjourned at 6:46 pm.
