1. New Business was taken out of order to hear Steve first. The growers of the oysters in the new beds had been concerned about dog feces in the beds. Steve stated that the water quality in area of the beds consistently tests very well. It was suggested that outreach and educating the public to not allow dogs in the areas would go a long way in curbing the possibility of dog feces in the beds.
2. The minutes of 9/20/18 were approved as addended.
3. Service animal cards were tabled until the next meeting.
4. Elizabeth's presentation about quiet fireworks was enthusiastically received at the VSB meeting. Carol to follow-up with DPW, as they are the purchaser of the fireworks.
5. Carol to contact alternate to make sure she resigns, as she cannot attend meetings.

Next Meeting: November 15, 2018

Meeting adjourned at 12:46 pm.
