

**Town of Provincetown  
Recreation Commission Meeting  
Veterans Memorial Community Center  
Minutes of Monday October 23<sup>rd</sup>, 2019**

**Members Present:** Robert Enos, Cathy Nagorski, and Kristin Hatch

**Members Absent:** Tim Downey, Heather Rogers, David Oliver, Brandon Quesnell

**Also in attendance:** Recreation Director, Brandon Motta, Assistant Recreation Director Caroline Thompson

**Call to order:** 5:30 pm

**Public Comment:** A) None

**Board Member Statements:** Cathy: Inquires why attendance at this meeting is so poor? Discussion about commission member Timothy Downey, and his attendance at meetings. Tim has a regular recreation commission seat, and if he can't make more of an effort to attend meetings then I think it's time to ask him to step aside. Brandon will ask the chair to speak Tim and ask him to attend the next meeting.

Update on stairs at 387 commercial Street?

Traffic hearing- Police Chief has recommended that the farmers market be moved to seven different locations with Motta field and the Former hall property being two of those places.

Brandon was unaware of those suggestions, but ultimately those requests for use of space would have to be approved by the Recreation commission.

Robert: Great job at the Public hearing, the meeting was well ran and we got a lot of great feedback to consider.

Kristin: None

**New Business:**

- A) Community preservation committee Recreation commission representative-  
Kristin- I have held that seat in the past, the cpc needs a recreation rep because the committee will be choosing grant applications within the next few months. It would be good to have a recreation representative on the committee to bring that aspect to the table.  
Kirstin nominates Cathy Nagorski as the Recreation Commission member to the Community preservation committee.
