Ongoing Business:

Chamber Ramp Update – Additional construction after the Chamber is closed. Railing for ramp between the two levels will require major work to dig holes for supports. Small entrance ramp is needed at the door of the Chamber. Repair to the sidewalk at the bottom of the side ramp is required due to hole that has evolved.

Handicap parking spaces behind town hall will be restricted to town hall business parking when it is open.

Service Animal cards have met with some confusion by restaurant owners about emotional support animals. Additional information about emotional support animals was distributed.

Storage shed for Mobi chairs may need to be moved due to construction of new parking lot exit booth. New booth will be in ADA compliance.

Agreement from commission members to participate in Year Rounder's day in March. Need ideas for participation activities and information to be distributed. Tracey will try to get Best Buddies group at the school to participate.

New Business:

Rowan will assist in creation of new Service Animal Business Cards. The MA state Disability office had cards that they distributed to the public. Rowan has copy of this business card and will create new card.

Future projects – everyone is encouraged to be creative and think about new projects for the coming year,

Linda will continue to work towards making the West End beach more accessible by the addition of a railing on the staircase.

Traffic Hearing will be Nov. 4, at Town Hall.
