

Minutes Harbor Committee Work Session 02/10/2021.

Call to order 05:04pm Present: Laura, John, Elise, Susan, David F, David G,  
Staff: Don G, Rex, Steve W Jim Vincent Presenting

Public Statement: Beau Gribbon: pier Corp is making changes. The fishermen feel it is Harbor Committee in charge. Can the Harbor Committee check the changes?

Susan: A work session can answer questions in public statements. She feels pier meeting was in violation.

Beau: Many definitions on working vessel, rates etc. We will address changes in a letter to them.

Jim: DEP review of training manual. Purpose is to understand Chap. 91. The Basics: Started in 1866. The oldest waterway in the country protecting water dependent uses and public access for non water dependent use.

Laura suggests a Town Hall meeting of the committee to explain it. Rex said we are not looking for compliance and enforcement. Just training us

David F asked Rex if we can have an in person meeting

John: Signage, placement etc and should be written by one person to maintain "style" incorporate QR codes

David F asked John to work with town staff David G will help

Rex : sign will have a blue post and be 8.5" x 11" text and QR code timing is April.

David G focus on history-David Dunlap-blue economy

Rex: questions like how is the blue economy related to this area?

John move to have meeting in 2 weeks David G second Feb 24 work session

Roll call vote: John Aye, Susan Aye, Elise Aye David F aye David G Aye Laura absent.  
5-0-0
