2. Public Statements: None
3. Member Updates: Chapter 91 training will be held on September 29, 2021.
4. Pier Corp. Liaison Report: Herbie Hintze stated things are moving along. The PPPC needs to either repair or replace one ice machine. If replaced it may be with a salt water ice machine.
5. Harbormaster Report: Harbormaster German is hauling M3 for maintenance. The Swim for Life held Sept. 11 was successful. The State/EPA has issued a warning on the Chris Craft 46. If there is no response from the owner, it could be consider a criminal offense. The vessel is not insurable and has no mooring permit. The Harbormaster will continue to follow up. The Columbia 28 was sold on July 17 and the insurance was canceled on August 27. The new owner does not have insurance on file in HM Office. The Harbormaster will continue to follow up on this issue as well. The Harbor Committed discussed various possible solutions for these events and has asked the Harbormaster to consult with other colleagues as to how this is handled in their respective Towns including creating a fund to deal with this type of event.
6. Old Business: The Chair requests that members review beach boat permits with regard to size, quantity and location for future discussion and possible amendments as a way to free up beach area to be used by beach goers.
7. New Business: PPPC Liaison- G. Binder has volunteered to be the Harbor Committee Liaison to the PPPC.
8. Committee Member Comments: G. Binder submitted a list of items she would like to see the HC work on for the future. The document will be shared with the other committee members for review as well as insuring that all new members have a copy of the Harbor Plan for review.
