

Provincetown Recreation Commission

December 6, 2005

Attendance: Members Treg Kaeselau, Robert Cahill, Susan Cook, Jill Macara. Recreation Director Dennis Clark. Assistant Director Tracy Roderick.

Meeting called to order at 6:00pm

I. Soccer Field

Irrigation system was installed and field was loamed and seeded. Second seeding in spring is desirable. Kaeselau and Clark will meet to go over field and work out logistics and further work needed.

II Skate Park

Park could use some finishing touches. Macara will check that thank yous were completed. Possible skate tourney next year.

III Assistant Director Roderick reported concern over harassment at school spilling over into recreation programs. Motion that the Recreation Department have a zero tolerance policy in regard to bullying and harassment.

“The Provincetown Recreation Department has a zero tolerance for harassment and bullying. The department will work in close partnership with the school by sharing information and giving the administration full authority to suspend recreational activities from any student whose conduct breaks the school policy regarding harassment and bullying. If a student is called into the principal’s office at any time during the week the student/athlete will be suspended from playing in the next scheduled game. Two suspensions will result in suspension from the team for the season. It is recognized that recreation activities are a privilege and not a right. Any student who is participating in harassment or bullying will be removed from the activity immediately. This policy will be in effect for all sports seasons, and other activities sponsored by the recreation department.”
