A) New Proposed programs

1) Brandon – the first proposed program comes from a yoga instructor William Coons. He had been teaching yoga in other places for 20 years, and would like to give the community center a chance. Please look over his resume, he has a lot of experience in teaching yoga, and I think his program would be a great addition to the community center.

Jill- I make a motion to accept the program as written on the Facility use form.

Second- Susan

Voted 4- 0 to accept program.

2) Brandon – The second proposed program comes from the request of the Provincetown Dog Park Association. They have proposed to do a dog training session at the community center for 9 consecutive Saturdays starting this Saturday October 17<sup>th</sup> and run through December 12<sup>th</sup>. Classes will promote responsible pet ownership and make good canine residents, all people present will receive a certificate. I believe this would be a great program, because it will raise awareness of the community center's programs to a more wide range of people.

Cass- motion to accept the program as written on the facility use form.

Treg – Second

Voted 4-0 to accept the program.

Treg- I would like to send a thank you to Tony Lemme, and the buildings and grounds crew for taking such good care of the soccer field. The grass has grown back, and there is less geese on the field.

**Directors Report:**

1) Afterschool program report

a. Brandon – After school program has been moved to the school, for those of you that were not at the last meeting. We are still working out the kinks in the program and will eventually get everything straighten out.

2) Our new soccer uniforms are in and have been passed out; we fundraised over the summer to fund them. Cape tip sports gave me the uniforms at cost and I will be sending them a thank you. All teams are combined with Truro again, and we have 3+4<sup>th</sup> girls and 5+6<sup>th</sup> boys playing in town.

3) Halloween events – We will be having a haunted house at the community center on Wednesday

October 28<sup>th</sup>, and the Halloween parade on Friday October 30<sup>th</sup>. The Parade will start at seashore point at 3:15 and go down commercial st and end at the community center, for some games and snacks.
