Develop Policy for Reimbursement of Selectmen's Expenses

Any request by Selectmen for reimbursement of expenses (with exception of those related to the MMA Convention Boston) must be made to the Chairman of the Board of Selection *PRIOR* to those expenses being incurred. If the Chair is in doubt as to the appropriateness of the request, or if there is disagreement with an individual Board Member, the decision can be made by the entire Board as to whether to approve the reimbursement.

Adopted September 11, 2000
