Mel presented a need to expand the shellfish beds in the harbor. We need a proposal from the Shellfish Committee.

Also, there is a need to make the Ryder St. beach more attractive and have more amenities like benches, lighting, trash barrels, etc.

Mel also mentioned there is a need to check the deeds at 145-147 Commercial St. opposite Conant St. for public accessway. These public accessways are usually quit-claim deeds and take a lot of time to research

**Motion:** To adjourn at 5:48 pm
