- 1) Discussion on moving to VMES building– Comments regarding the plan put forth by the Building Assessment presented at the Selectmen's meeting on 1/31/10:

Treg- I make a motion to relocate all recreation departments programming, activities, and administrative offices to Veterans memorial School as soon as the building becomes available. The summer children's program will be held at 44 Bradford Street and finish in September.

Susan- I seconded

Discussion on the motion- Carrie -I believe we should add a some kind of contingency to the motion, so we have something to fall back on. If the article fails at town meeting, then what's next for the department? We are stuck without a building and we will be relocated somewhere where we don't want to be. We need a backup plan, going into this move, because we all know town meeting votes are not guaranteed.

Susan and Treg- Agree
