### EXECUTIVE SESSION

#### **Mick Donovan**

The case was resolved in March and Mr. Donovan was told to remove the shed. He has not done it yet and there will be a fine if it's not removed within 10 days after he's officially notified. Mr. Donovan has come into the Health Office and discussed having a greenhouse instead of the shed. Mark shared with the Board his opinion that if Mr. Donovan did make a request to convert the shed to a green house that the Board should act on it as it was the Board who ordered him to remove the shed.

#### **George Bryant**

Brian shared that Jane will be attending a hearing on June 3<sup>rd</sup> with Town Counsel to hear our request to impose fees against Mr. Bryant.

**4:24 p.m.**

**Motion: Move to resume the public portion of the BoH meeting.**

**Motion: John Livingstone    Seconded: Joe DeMartino    Vote: 4-0-0**

The Executive Session adjourned at 4:25 p.m.

Respectfully submitted,  
Evelyn Rogers Gaudiano
