Update of Town Buildings

Freeman

Discussion of RFP process – RFP about to go out – question of whether the RFP calls for removal of the vinyl siding.

Library

Discussion about apparent changes to plan, e.g. has seating been pushed back?

Auditorium Seating

Discussion with Town Manager, no consensus about what to do, some board members want to do nothing, others are ok with the MFM solution, others want loose cushions. Told TM that HC will respond to suggestions but will not pursue solutions themselves – HC's role as Building Committee enables us to review proposals, but not obligated to generate them.

Walking Tour App

Dray report that beta version done, working with consultant to review and edit.

Oral History

No report.

Interpretive Materials

Hassell find some good photos to have scanned for posters, Borkowski and Hassell to look on history web site for additional images.
