IV. New Business:

Discussion with Rex on commercial/recreational boats left on the beach during winter months. Current regulations do not allow winter storage for boats larger than 17 ft. They do allow work on boats on the beach for a maximum of 7 days.

Rex mentioned that boat bottom washing performed at marinas must have the wash water captured to prevent contamination of nearby harbors/rivers.

It may be necessary to have certain areas for winter storage (ex. Johnson St., West End parking lot area, and east side of MacMillan Pier and west side of Fisherman's wharf). Further discussion is necessary on this subject before any changes are proposed to the Harbor Regulations and a public hearing held.

Roger left at 5:05 pm.

MOTION: To adjourn at 5:12 pm.

MOVED: Avellar

SECONDED: Cote

VOTE: 3-0-0

Respectfully submitted,

Jerry Irmer
