New business:

- 1) Summer Program- ideas to increase attendance in the program; lower tuition, programming (more beach trips, solve bus issues with high fees, separate age groups for activities, build up to theme days (more excitement), Seashore trips, surveys for info on improving (one for kids, too), setting up accounts for families to add to thru out the year,
- 2) Vote on approving the quotation of \$11,800 from O'Brien and Sons to repair the installation of Chelsea earnest playground.
Voted 3-0 in Favor

Old Business:

- 1) Open Space plan- update goals, add new spaces: Motta field, updated playgrounds
- 2) Motta field fees- school charged \$2500 for one day. We need to lower this fee. Brandon asked other towns what they charge for their fields. Needs to be broken down into categories. There needs to be a security fee for damages. Fees need to include lining the field, and porto-potties. Talk to Business Guild, Tourism Dept. and the Chamber for marketing ideas. Add gravel to the track surrounding the field.

Director's report:

- 1) Update on transition to VMCC- need AC in 3 rooms, are there zones for the heating system?

Assistant Director's report: none
