Cape Cod National Seashore General Management Plan Implementation Advisory Committee (CCNSGMPIAC)

Wednesday, April 25, 2012

Present: John Thomas, Carole Carlson, Priscilla Jackett, Kerry Adams, Paul Tasha

Meeting called to order at 5.17 pm.

The Committee reviewed and approved minutes for the meetings dated May 24, 2011 (5-0) and December 21, 21 (4-0, as amended).

The Committee discussed the need to propose a re-institution of intra-governmental monthly status updates from the Town Manager and more coordination among the Board of Selectmen, Town Manager, CCNSGMPIAC, and the Provincetown representative to the CCNS Advisory Commission.

The Committee discussed environmental issues of concern within CCNS land and water boundaries, including (1) influx of sand in the salt pond at the Moors; (2) increased numbers of paths emerging on either end of the New Beach (Herring Cove) parking lots; and (3) increasing phragmites on the quaking bog, a rare habitat, at the far west end of Shankpainter Pond.

The Committee agreed to extend an invitation to CCNS Deputy Superintendent Kathy Tevyaw and Superintendent George Price to attend a Committee meeting to discuss issues of concern.

The next meeting was set for Wednesday, May 16, 2012 at 5.00 pm.

The meeting was adjourned at 5.59 pm.
