

Recycling and Renewable Energy Committee Minutes from 18 April, 2012, 4pm Caucus Hall, Provincetown Town Hall

Attending: Amy Germain, Kelli Dahl, Scott Powell and Lydia Hamnquist

Amy called the meeting to order at 4pm and recognized the loss of Sandra Turner. She will be missed very much, both as a friend and a valuable source of information for our committee. Also, Elizabeth Patrick has resigned and this is Kelli Dahl's last meeting so we need to find new members. Amy will contact Kevin at The Banner to place a notice.

Scott then spoke about his trip to a recycling exhibit. He learned about the science of composting. He also told us about a student exhibit at PAAM called Norah's Ark. He is working on fund-raising plans.

Kelli has been working with Beau Jackett on getting recycling info on the town web site. She will leave all her information with us for future work.

Amy will talk to David Guertin about web site and printed info and about taking trash from out-of-towners.

Lydia asked about the town policy goals for 2012 and if recycling is one the goals.

At 5:15 Scott moved to adjourn, Amy seconded and vote approved.
Next meeting will be 9 May at 4pm.
