March Sub total								
Payments								
Total amount due								

In an effort to make things more clear and transparent, this form will now serve as the fee sheet, daily attendance form, and bill.

Staff will record each child's attendance, which will then be verified by a signature of the adult picking up the child from the program.

At the end of the month families will receive a copy of this that will show the amount due, or credit, and the attendance of your children. A copy is available on request at any time, but a hard copy will not be given, unless asked for, until the last day of the month.
