

Provincetown's *Little Fix* Program Volunteer Application

The Little Fix Program Mission: Coordinated by The Provincetown Housing Office and funded with Provincetown Community Preservation Act Funds, The Little Fix will send teams of volunteers to assist homeowners & renters with clean-up, landscaping, and small home repair projects targeting seniors, disabled, and veterans. The goal is to provide small home and landscaping improvements,

largely through a volunteer base, to enhance the safety, comfort, and quality of life for seniors, veterans, and the disabled. The residents will be selected based on income, repair needs, and our ability to meet the request. We anticipate our first Little Fix volunteer day will be in September 2014. Volunteer applications may be considered for that date and/or a future Little Fix program day. A variety of volunteers will be needed to perform small landscaping, and home improvement projects. Volunteer assistance will also be needed for coordination of teams and refreshments.
