Section I, Description of Project: Section

II, Decision Making Process:

The Provincetown Public Pier Corporation (PPPC) is accepting applications from artists and craftspeople seeking to occupy studio space in the Trap Sheds located on MacMillan Pier in Provincetown. Trap Shed Program specifically seeks emerging artists and craftspeople and provides a central, highly visible location to work and exhibit.

Six seasonal spaces and two weekly spaces are currently available for the coming 2022 season. One space, measuring 10' by 10' can accommodate an individual or a group. Electricity is provided. Phone hook-ups are available. The Trap Sheds do not have running water.

Proposals will be evaluated and preference given based on the following criteria: (1) the applicant is an emerging artist or craftsman and not represented by a gallery; (2) there is, whenever possible, on-site production; and (3) the subject matter of the work is nautical or reflects the historical, cultural or marine heritage of Provincetown. The weight of each criterion will be applied in the PPPC's discretion and will be weighted identically for all proposals.

Proposals can be made by a group or by an individual and shall be brief, no more than 2 pages, excluding examples of artwork. Proposals and examples of work will not be returned. The applicant must be prepared to keep the trap shed open, beginning May 15th, but at a minimum, from June 15th through Labor Day weekend, seven days a week. The proposal must specify what hours the trap shed will be open.

Each of the 10' by 10' seasonal spaces will be issued a lease for the 2022 season. Selected applicants must agree to terms of the contract and participate in an end-of-season evaluation of the program.

The 2022 seasonal rate for each space is \$5,500. The 2022 rates for the weekly spaces are \$550/wk. for the high season (July and August), \$400/wk. for the shoulder seasons (June, September and October), and \$300/wk. for the months of May and November. All arts & crafts must be locally produced.

The awarding authority is the PPPC, acting by ay through its Trap Shed Sub-Committee, and its decisions shall be final. Issuance of this RFP does not commit the PPPC to make any award of contracts. The PPPC retains the right to reject any or all submissions.

The PPPC Trap Shed Sub-Committee will review all proposals in accordance with the evaluation criteria and shall assign a rating of Highly Advantageous, Advantageous, or Not Acceptable to each proposal based on the criteria as set forth in this RFP. Upon completion of its evaluation, the PPPC will award spaces to proposals determined to be Highly Advantageous. The Board's decisions are final with awarding spaces.

Proposals and examples of work can be mailed to Provincetown Public Pier Corporation, 260 Commercial Street, Provincetown, MA 02657, or dropped off at the Harbormaster's Office at 24 MacMillan Pier, Provincetown, MA and must be received no later than noon on Friday, April 03, 2022 in a sealed envelope marked "Trap Shed Tenant Proposal".

Please direct all questions to the Pier Manager's Office on MacMillan Pier, by phone at 508.487.7030 or via email Jamie Demetriou, Office Manager at jdemetriou@provincetown-ma.gov.

2022 Seasonal Trap Shed Program

Decision-Making Processes

A request for proposals will be advertised by the PPPC Trap Shed Sub-Committee after Labor Day each year. This will help with planning for the following summer for both the PPPC Board of Directors and the applicants.

All applications will be reviewed by the Sub-Committee for the following qualifications:

- o Is the applicant an emerging artist or craftsman not represented by a gallery?
- o Is the art or craft to be produced partially or totally on-site?
- o Does the art or craft reflect the historical, cultural or nautical heritage of Provincetown?
- o Does the applicant reside locally?
- o How many summers has the applicant had a Trap Shed?
- o Does the applicant provide something new or unique that would be a special asset to the program?

The weight of each criterion will be applied in the PPPC's discretion and will be weighted identically for all proposals. Should there be more qualifying applicants than spaces, the Board of Directors may decide to add additional trap sheds and expand the program. If this is not possible, then the Sub-Committee may suggest that a lottery be the fairest way to decide on which applicants should receive leases for the season. Otherwise, it is the intent of the PPPC to expand the program as revenues, spaces and demand allow. Selections will be made by the PPPC Trap Shed Sub-Committee who will attempt to bring a variety of artists together for an engaging and entertaining group that may or may not include similarities in craftsmanship, medium, and theme.

If your application is approved, a non-refundable deposit of \$550 will be due on or before April 30, 2022 with a balance of \$5,000 due on or before August 01, 2022.

Refunds shall only be given on an emergency case-by-case basis, as determined by the PPPC Trap Shed Sub-Committee, and none shall be given after July 15, 2022.

One of the requirements of renting a seasonal shed is that the applicant procure liability insurance:

Insurance for bodily injury and property damage must be obtained in a form and content satisfactory to PPPC, with the Town and the PPPC each named as an additional insured party on the policy. Each such insurance policy shall be effective during the entire Term. All insurance policies must contain limits of coverage not less than \$1,000,000 for any one occurrence of Bodily Injury & Property Damage with an Aggregate Limit of \$2,000,000 and shall include an agreement by the insurer that it will not cancel such policy except after 30 days prior notice has been given to the Town and that any loss payable thereunder shall be payable notwithstanding any act of the Town which might, absent such agreement, result in a forfeiture of all or part of such insurance payment.

Trap shed artisans and craftspeople are required to secure the necessary Town licensing for their trap shed operation. All trap shed tenants shall adhere to posted regulations with respect to operating hours, outdoor displays, etc.

Failure to staff a trap shed on a regular basis, pay required rent or adhere to posted regulations will be considered failures to perform under the requirements detailed in the lease.

All questions and concerns should be directed to the Trap Shed Sub-Committee via the Harbormaster's Office. Participants should expect to contribute to an end of season evaluation as well.

In the event of a release or threat of release of any toxic waste or hazardous materials on account of any activities of the Lessee or his or her employees, agents, or invitees, the Lessee shall conduct and complete all investigations, studies, sampling and testing, and all remedial, removal and other actions necessary to clean up the release or eliminate the threat of release in accordance with all applicable legal requirements. The Lessee shall notify the PPPC immediately by telephone and in writing of any release or discharge or toxic waste or hazardous materials or of any condition constituting a threat of release of toxic waste or hazardous materials. The PPPC may (but shall not be obligated to) enter upon the Premises at any time during the term of this Lease to inspect Lessee’s compliance herewith, and may disclose any violation of any regulation to any governmental agency with jurisdiction.

Indemnity To the fullest extent permitted by law, the Lessee agrees to indemnify and hold the PPPC and the employees, officers and directors, harmless for and against any suits, claims, demands, including reasonable attorney fees, arising out of (i) the use of the Pier by Lessee, his or her employees, agents,

sub-lessees, or invitees, or attribute to the exercise by the Lessee of any right or privilege hereby granted; or otherwise caused by the Lessee, or other personal property or equipment, including, without limitation any act or omission the Lessee, or any agents, servants, employees, visitors, guests or any and all other persons or corporations dealing with the Lessee in any way in the use of the Premises, (ii) any failure by the Lessee to perform or comply with any of the terms hereof or of any contracts, agreements, restrictions, statutes, laws, ordinances, or regulations affecting the Pier, and the access routes and appurtenances thereto or any part thereof or the ownership, occupancy and use thereof, (iii) any and all claims, liabilities, losses, costs, expenses, damages or penalties asserted by or on behalf of any person, firm, corporation or public authority arising from the Lessee's breach of this Lease, and (iv) any work or thing whatsoever done (other than by the PPPC and its successors and assigns or its contractors, or agents or employees of either) on the Premises during the term of this Lease and during the period of time, if any, prior to the date of this Lease that Lessee may have been given access to the Premises.

Insurance The Lessee, prior to commencing to utilize its rights hereunder, shall furnish PPPC with proof of insurance in form and content satisfactory to PPPC, which shall be from an insurer satisfactory to the PPPC. **The Town and the PPPC shall each be named as additional insured party on the above referenced insurance policies.** Each such insurance policy shall be effective during the entire Term. **All insurance policies must contain limits of coverage not less than \$1,000,000 any one occurrence Bodily Injury & Property Damage with an Aggregate Limit of \$2,000,000** and shall include an agreement by the insurer that it will not cancel such policy except after thirty (30) days prior notice has been given to the PPPC and its successors and assigns, and that any loss payable there under shall be payable notwithstanding any act of the Town of the PPPC and each of its successors and assigns which might, absent such agreement, result in a forfeiture of all or part of such insurance payment. The insurance required under this Lease shall be effected with insurers authorized to do business in Massachusetts under valid and enforceable policies.

Lessee at Risk All of the Lessee's personal property kept at the Premises shall be at the sole risk of the Lessee. The PPPC shall not be liable for damages to, or loss of, the Lessee's personal property, or of the Lessee's employees or agents by any cause whatsoever, including, without limitation, any fire, explosion, flood, water, wind, theft or vandalism. The PPPC shall also not be liable for damage or loss to the Lessee's personal property, or the Lessee's employees, or agents resulting from the PPPC, its successors and assigns, having taken any action with respect thereto which the PPPC has the right to take under this Lease, unless such action shall be grossly negligent or shall constitute willful misconduct.

Nothing in this agreement shall be interpreted to prevent the PPPC from leasing Premises to a Lessee who exhibits and sells a craft or artwork that is similar or identical to another Lessee's artwork or craft.

No Discrimination No person shall, on the grounds of race, color, national origin, sex, or sexual orientation be excluded from the Premises or be subjected to discrimination in any form by the Lessee.

PPPC's Improvements The PPPC shall not be required to provide any work on, improvements to, or services or other improvements in connection with the Premises. Nothing contained herein shall be deemed to relieve the Lessee of any duty, obligation or liability of the Lessee with respect to making any repair, replacement or improvement or complying with any law, order or requirement of any governmental or other authority.

PPPC's Right to Inspect Premises Throughout the term of the Lease, the PPPC and its representatives shall have the right to inspect the Premises for the purpose of ascertaining Lessee's compliance with terms of the Lease. Inspections shall be accomplished in a manner that does not unreasonably interfere with the operation of the Premises by the Lessee.
