Sewer User Rate Decrease

On October 16, 2008, the Provincetown Water and Sewer Board held a public hearing and voted, pursuant to MGL c. 83, §16, to decrease the sewer user rate from the current rate of \$0.0185/gallon to \$0.01385/gallon. On October 27, 2008 the Provincetown Board of Selectmen voted, pursuant to MGL c. 40, §22F, to approve the recommendation of the Water and Sewer Board, effective November 16, 2008. This rate change reflects a 25.14% decrease from the current rate and applies to all properties connected to the sewer.
