**200 Route 6, Provincetown, MA**

---

**Board Members Present:** Steve Katsurinis, Vice Chair; Dr. Elise Cozzi; Dr. Janet Whelan; Kalliope Chute and Betty Williams, Alternate

**Board Members Absent:** Mark Phillips, Chair; Irv Morgan, Alternate

**Other attendees:** Morgan Clark, Director, Health Department; Laura Marin, Health Agent

**Call to Order:** Mr. Katsurinis called the meeting to order at 3:00 p.m.

**Site visit of the Provincetown Wastewater Treatment Plant at 200 Route 6, Provincetown, MA, on Thursday, October 18, 2018.**

Plant Manager Chris Rowe began the tour outside and gave the Board an overview of the site, then took the group through the components of the facility such as where water is funneled under UV lights while explaining how the system works. Mr. Rowe also took the Board to where the water is analyzed and the control room where the team can monitor the facility and the entire system from computer monitors and answered questions about how employees are notified of problems at the facility, what happens during power outages, and what changes during the off-season.

**Adjournment:**

There being no further business, Mr. Katsurinis adjourned the meeting at 3:37 pm.

Respectfully submitted,

Linda Fiorella
