Provincetown Cultural District:

A short sketch for the MCC, titled "Provincetown: You Belong Here" was discussed. A number of edits were suggested, these will be incorporated for further review by Council members.

A map of the Cultural District is required; this will be available for visitors. Prior maps are available and will be reviewed for suitability; a grant is available to fund this. Ewa Nogiec was the creator of a prior map and will be contacted for a revision.

Major monuments, museums, galleries, and art and cultural organizations incl. theaters will be categories; color-coding is suggested. Town Hall is to be included. Private homes will not be listed.

Signage comes from the MCC; choice of locations for the four signs we will receive discussed.

We agree to: Macmillan Wharf, Commercial St. at Bradford, Conwell St. and Shank Painter Road. An additional sign at the West End Rotary will be purchased.
