Provincetown Tourism Office

Present: Don German, Chris Busa, Ray Wiggs, Cherie Mittenthal, Bill Burton and Brian O'Malley
Tourism Director: Tony Fuccillo

Minutes Feb. 5, 2019; motion by German, approved as distributed amended to note that Tourism Director Fuccillo was also present.

AIDS Memorial Discussion – the DPW has no funds for walkway. We have \$12,511 remaining in the account; the artist is owed \$5000. A granite & bronze marker also need to be designed and placed. Vote to approve use of existing funding in the account to accomplish this finish landscaping.

Cultural District – Fuccillo and Mittenthal met w/ Ewa Nogiec to review possible designs. Accordion fold design that folds to pocket-size is recommended. A map will be visible with first opening; a dateline would note key seasonal events, by outdoor/indoor. A horizontal map layout is favored, and will have original artwork for some landmarks.

Motion by Busa, seconded O'Malley, to have Eva of iamprovincetown to design Cultural District brochure, design option #1, approved unanimously.

The written content will be needed; will plan to use existing sources and also generate new text. Mittenthal will explore this with several local writers. Burton will also work with Fuccillo and Nogiec. The goal is to have this available for distribution by Memorial Day. The Council approves this plan on a motion by Wiggs.

Next meeting: April 16, 5:30 pm, at Tourism Office
