Ongoing Business:

Chamber Ramp – Not in compliance yet. Additional work such as railings will be done when businesses are closed. Construction would disrupt the businesses.

Liz's Café – Handicap bell to signal need for entrance ramp is hidden from sight and obstructed by bike rack. Bell is not wired and needs to be moved to front of building.

Parking Exit building to be reconstructed and this will require new storage area for Mobi beach chairs.

Funicular project moving ahead. Need to follow project and look at new traffic study and handicap access to funicular. Cost may trigger additional handicap bathroom, etc. No work as yet on handicap car access to the monument.

New Business:

Mobi chairs not used very much. Will request new signs from company to better advertise them.

Year Rounder's day – Discussed better participation by the Commission. Tracey talked about the Best Buddies program at the school and their participation. Will discuss further.

Maushope – several new regulations that inconvenience the residents. Smoking continues to be an issue. Need to look at issues and seek a solution.
