Member Opening Statements:

Swany referred us to the website [NewEnglandADA.org](http://NewEnglandADA.org) as a resource.

Ongoing Business:

Chamber Ramp – Waiting for further construction to start.

Service Animal information business cards – project on hold. Rowan is working on this.

Liz’s Café – bell to call for accessible ramp is placed on side of building and obstructed by the bicycle rack. Ann to follow-up.

Storage Shed for Mobi Chairs will need to be moved. Move to the other side of parking lot is suggested as this will give better access to the Chamber staff.

Monument – Monument Access – as of yet there is no move toward compliance with the December 31, 2019 deadline. No movement on construction of Funicular.

West End Beach access – project with public works for installation of railing before the summer season. Railing has been requested by several citizens. This will improve access for senior citizens and those with minor disabilities.

New Business:

Mobi Chairs are underutilized and there needs to be new signage to encourage use.
