Special Agenda Items

RB opened with comments about the way forward with getting the regulations approved by the Board later in November. HH noted that Select Board representative John Golden has not been present at these meetings. DB to coordinate with John to start sending the minutes and notes from the PPPC Working Sessions. SF feels that PPPC should not just send a draft of the complete regulations to John, rather, some document outlining the major changes, updates, etc. should be shared with the Select Board. Consensus is to have a public hearing in January, regardless if it has to be held virtually.

Ongoing Discussion of Chapter 1 of the Harbor Regulations

Ongoing conversation of the various Harbor Regulations ensued.

“Appendix B Pier & Harbor Fee Schedules Rates” discussed.

HH made motion to adjourn at 4:10pm; SF seconded. Passed 4-0.

Respectfully Yours,

T. Jason Brown
