Shellfish Constable Report

Continued the discussion of signage for West End Parking lot. We asked Stephen to make some changes to his proposed sign. There was a discussion of the Blue Economy signs being funded by a Cape Cod Chamber grant to the town of Provincetown. Wendy and Lory presented the mock up of the signage. The committee was in agreement that this signage is not appropriate for Provincetown and to recommend to the Harbor Committee to not go through with the project.

Stephen informed the committee that the aquaculture barges owned by the Town were secured.
