

Recycling & Renewable Energy Committee Minutes
Wednesday March 2, 2022
9:00 a.m.

Present: Tom Jung (Chair-online), Elise Cozzi, Nancy Lockwood, Lydia Hamnquist
Town of Provincetown: Sherry Prada (DPW-in person), David Gardner (Asst. Town
Manager-online)

- Tom calls the meeting to order at 9:05 a.m.
- Note: this was a specially called meeting by Elise for her proposed “storefront sweeping bylaw” in order to be submitted in time for the next Town meeting
- Discussion about general bylaw procedure: David discussed warrants and how they are included. We would need three votes to move it forward.
- Lengthy discussion ensued regarding edits to the current language to be acceptable by all. David Gardner largely facilitated this discussion and we thank him for his leadership.
- Tom noted that he supports the bylaw, but feels it is not entirely in the scope of the RREC. Elise agreed to garner support from other Town committees, specifically Open Space and Public Landscape (formerly Beautification)
- Elise moved to submit the edited article to the warrant as written. Tom seconded. No additional discussion.
- Roll call vote: Yay: Lydia, Nancy, Elise. Abstain: Tom. 3-0-1 Motion passes.
- It was noted that a description of the article should accompany the bylaw. Elise will write up and Tom will edit and send to David Gardner for inclusion.
- At our regularly scheduled RREC meeting on March 9, 2022, we will vote to support the article. The article as written will be posted at noon on March 4, 2022.
- Tom moved to adjourn. Elise seconded. Roll call vote unanimous at 10:08 a.m.
