Basketball season is now over. Everything went well, even though we had low amounts of children playing basketball. For next year try to gain more attention towards basketball by starting earlier and more advertisement.

Old Business: New playgrounds would cost approx \$100,000 each. We need to start doing a lot of fundraising or find some sponsors.

New Business Need to start thinking about raising rates for Summer program fees, and Sports fees.
Raise town children sending or receiving from \$100-\$300.
Non-town student raise from \$60-\$65

Sports \$25 per sport.

Minutes: Reviewed and accepted as written. Moved by David, Second by Susan, unanimous.

Motion to adjourn: Treg, Second by Bronwyn. Unanimous.
