### **Other Business – any other business, which shall properly come before the board.**

Review of James Freeman Taxi Operator's License: James has been working approximately 50 hours per week – driving only nights. There have been no issues or violations. Mr. Freeman states that he searched for a defensive driving course, and the only one he found was in Quincy, MA for \$1,300. He stated that he found a video at Blockbuster, however, it was more of a "how to" instructional video. Liz Angelino suggests calling the RMV or his insurance company for referrals.

**Motion to approve permanent license by George Young. Seconded by Jim Sheehan. Approved 3-0.**

Update on 1807 House: Licensing Agent reports that the owner does have the property on the market and that it has been on the

market for some time now. However, it will continue to operate as a guest house for the time being.

Update on non-criminal dispensation (code compliance violation booklet): No incident reports have been received from the Police Department regarding the incidents at Vixen Nightclub. However, reports of underage drinking from Detective Himes were discussed. The Licensing Agent and Detective Himes will conduct Bar Checks during the summer months.

Next meeting: Cock & Bull, bar checks.

Meeting Adjourned at 6:15.
