

Provincetown Conservation Commission meeting, 12/22/09 at Town Hall, Jerome Smith Road, from 4:00 to 4:22 PM

Attending: Richard Silver, Jack McMahon, Dave Hale, and Dennis Minsky (recording)

Absent (excused): Lynn Martin

The meeting was for the sole purpose of choosing a consultant for the after-the-fact Notice of Intent filed by the Provincetown DPW and AECOM. The four responses to the request for quotes for services that were received were reviewed and discussed. Dave Hale moved that Safe Harbor Environmental Services be chosen, and Dennis Minsky seconded. In the discussion, the merits of Gordon Peabody (Safe Harbor's principal) were outlined: he is local, his work is well known, and he is familiar with the area. The vote in favor of choosing Safe Harbor was 4-0-0.
