

The following are the approved minutes of our Feb 2, 2010 meeting. Approved at our march 2, 2010 meeting.

alex(chair) called the meeting to order at 5:05 pm

Present: Members Alex Brown, Mel Cote, Rick Macara

Absent: Paul Tasha, Nancy Meads, John Baldwin

also present; tony Jackett(shellfish warden) and Owen Nichols(MFI)-Coastal Studies.

Rick Macara made a motion to accept the minutes of Jan 5th, Mel Cote seconded the motion and was approved 3to 0 vote.

Owen reported that he was still waiting to hear from funding sources for projects previously discussed. Tony Jackett reported that there is potential to get some(storm water remediation) goverment grants to the town to improve storm water containment. Discussion of a fund raising event to provide money for more clam seeding was delayed until more members were present. It is estimated that approximatly \$1000 per town would be sufficient. Tony will see if AmeriCorps members would be available for a beach clean-up. We will look at the morning of May 1st as a date with favorable tides with the next day available as a rain date. Next meeting will be March 2nd 5pm at CCS

Motion was made by Alex Brown to adjourn at 6;08pm. Rick Macara seconded and a vote to adjourn was passed 3-0.

Submitted by Alex Brown (Chairman)
