Approval of old minutes was continued to the next meeting.

Scheduling of specific topics for future Committee meetings was continued to the next meeting.

The Committee was given a mail slot at Town Hall for its use.

KC will contact Town Clerk Stephan Nofield for stationery for Committee use in letters and communications.

Addresses of the Committee members were collected for postal mailing purposes as needed; minutes and pertinent information will be emailed to all Committee members for convenience as needed, on an ongoing basis.

Regarding the upcoming public informational Meeting on coyotes, a date was tentatively set for Thursday, October 26<sup>th</sup> at 7:00 pm. Informational and other materials to be available from 6:30 pm, before the meeting. This meeting will be held in the Judge Welsh Room if open for that date and time. The date is subject to the availability of all the speakers, sufficient time for publicity, etc.

After discussion, the topic of dune shacks was put on the agenda for the next meeting. John Thomas advised that Carla Tasha would like to speak to the Committee on this issue; he will contact her.

The issue of extended parking fees for the beach parking lots into October was raised. After discussion it was decided that John Thomas would draft a letter, for the Committee's approval at the next meeting, to the Selectmen expressing concern over extension of fees and this extension's impact on local residents. Various Committee members believe that, since this matter affects "cultural resources", the Seashore might be required by its own procedures to conduct an appropriate study on adverse impacts before it can take this action.

The date for the next meeting was set for Thursday, October 25<sup>th</sup> at 5:00 pm at the Judge Welsh Room, at Provincetown Town Hall.

With no further business, Don Richards moved and KC Smith seconded that the meeting be adjourned. Motion was carried unanimously and the meeting adjourned at 5:50 pm.

Respectfully submitted,  
KC Smith, Clerk
