## **Meeting Agenda**

### **Tap Grant**

Consideration of TAP grant application due for the spring funding round on May 1, 2008. CHC will wait until new Housing Specialist is onboard and consider application for a TAP grant for the Fall funding round.

Possible idea for funding: The Housing Specialist to conduct a survey of existing affordable housing residents; identifying for the community what affordable housing has brought to the community. The CHC has a continuing need to education the community of the need and benefits of affordable housing.

### **Housing Specialist Update**

The Housing Specialist's position will be advertised with applications due by May 15, 2008. The announcement will be emailed to all members for the widest distribution throughout the community.

### **Project Updates**
