The five members present satisfied the legal quorum requirement.

Attorney Robin B. Reid, Esq., and Karen Nash, the principal of BWell, Inc., appeared to present the application. The application was heard in conjunction with Case PLN 19-32 for a Marijuana Establishment, Retail.

**Decision:** By votes of five in favor, none opposed, none abstaining, the Planning Board approved the applications.

**General Findings:**

1. The Property is located at 336 Commercial Street, Unit 10 in the Town Center Commercial District.
2. The present use is retail/office.
3. The Project was reviewed pursuant to M.G.L Ch. 40A §9 and the Special Permit criteria as listed in Section 5300 of the Zoning By-laws.
4. The site has no particular unique natural, historic or scenic features.
5. The proposal protects public amenities and abutting properties from any detrimental impacts of the proposed use.
6. The project, as conditioned herein, complies with the applicable review criteria and conforms to the Zoning By-laws.
7. The project will deliver significant tax and community benefits to the Town.
8. During the public hearing the Board heard from Town Staff, from the applicant, and from the applicant's representative. One resident spoke in support of the applications and another resident spoke in opposition at the public hearing, and there were no letters from residents.

**Specific Findings:**

1. The proposal to operate a production marijuana establishment at the property located at 336 Commercial Street, Unit 10, meets the requirements of Section 5330 of the Provincetown Zoning Bylaws, Special Permits. The Planning Board determined that the social, economic or other benefits of the proposal for the neighborhood or town outweigh any adverse effects such as hazard, congestion or environmental degradation.

Based on the findings, the **Planning Board voted to grant a Special Permit** pursuant to Article 2, Districts and District Regulations, Section 2440, Permitted Principal Uses, B15, Marijuana Establishments, Industrial, **with conditions** as outlined below.
