#	Responses	Date
1	More resources for families	3/31/2016 8:36 AM
2	my focus is on environmental health and open space, but all the previous topics are priorities, and, in fact all are related.	3/28/2016 12:37 PM
3	More ideas need to be explored with regard to the year round economy. One very important area that I did not see discussed in the Banner article was Education. There are great opportunities to invite internships and educational forums to Provincetown in the off-season and we could develop these concepts that would bring folks to Provincetown who would dine in the restaurants, lodge here in the inns and generally give a boost to the Town in general. Many small New England towns rely heavily on small private schools in their Towns to sustain their communities. We should think about developing an approach for this possibility with the science, theatre and arts communities and hotel and restaurant industries. Training seminars and cultural and educational events would be a great economic boost that would benefit us all.	3/26/2016 8:33 AM
4	We are very vulnerable in the delivery chain were there to be a grid outage or a natural disaster that hits the East Coast. Most of our food comes from a warehouse in Pennsylvania. There is only one road out of town. We need water and food storage for every citizen, including kits in the case of a true emergency like Hurricane Katrina.	3/23/2016 6:17 PM
5	Housing, the only reason I can be here, is because housing is provided. I fully know, I can not remain here should I aspire to home ownership, this a terrible cycle knowing I'll have to move should I want to acquire a piece of the american dream. We've got to change this.	3/23/2016 2:07 PM
6	Work force housing	3/22/2016 10:23 PM
7	Good paying jobs, industry	3/22/2016 1:21 PM

11	Preventing the town from becoming only part-time residents instead of a community.	3/22/2016 8:45 AM
12	The economy should be first and foremost. Without jobs you do not need housing.	3/22/2016 8:14 AM
13	We need to help preserve and support a vibrant community. I checked all the issues because I feel they are all important to that community.	3/22/2016 8:13 AM
14	A balanced community	3/22/2016 7:43 AM
15	Year round community	3/22/2016 6:06 AM
16	Affordable year round housing that is maintained, landlords abide by local and state codes, and rent that is paid monthly by law and not in chunks. There needs to be a sustainable economy that provides year round employment and businesses that are open year round and enforcement of licensing laws that do not operate in line with their license. Enforcement of parking and sidewalks that are accessible and not blicked by vehicles ss a handicapped person this is crucial. Transportation into amd out of town that reliable, affordable, and that does not take 5 hours to get to Boston. The 2 buses to Hyannis in the off season are unreliable, the ferries in summer are expensive.	3/22/2016 3:41 AM
17	Keeping the wonderful hodge podgy diversity of our artistic community	3/21/2016 10:25 PM
18	Provincetown's success as a year round economical, ecological and social success:	3/21/2016 10:17 PM
19	Sewer the whole town	3/21/2016 10:17 PM
20	There are enough intelligent year round and second home owners to accomplish all our goals if we work together and don't pit one against the other in unrealistic By-Laws	3/21/2016 10:12 PM
21	Affordable housing. Year round lifestyle. More jobs.	3/19/2016 7:06 PM
22	Parking is too crazy for residents and their guests.	3/19/2016 6:25 PM
23	Full-time year-round jobs	3/19/2016 6:24 PM

24	art colony and support of working artists. to preserve the character of ptown	3/19/2016 3:25 PM
25	Most of all I'd like to see planning efforts preserve the natural environment as well as the historical character of the town. I'd also like to see increased harmony among the various constituencies.	3/19/2016 3:04 PM
26	Sewer plant capacity must be increased to allow more homes to hook up to sewer! Also, keeping Provincetown an arts center is important to me. The arts is what makes Provincetown!	3/19/2016 2:31 PM

31	accepting that Provincetown is a seasonal community and building only on that.	3/19/2016 7:37 AM
32	Community. Inclusion as opposed to the pettiness of the last few years	3/18/2016 10:01 PM
33	Maintain the year-round community	3/18/2016 7:46 PM
34	Diversity in the community, economic equality	3/18/2016 4:40 PM
35	The workforce in town both in peak season and off peak as well as workforce housing	3/18/2016 4:28 PM
36	Housing is THE top priority and impacts all the other categories. The Town must consider all options and move quickly on opportunities and not pick and fight about it all.	3/18/2016 11:52 AM
37	Affordable housing is key to keeping the town alive	3/18/2016 10:58 AM
38	I'm concerned with the Town growing too big, we don't need a Huge Hotel or 200+ boat slips... as printed in the paper, keep out big developers. I live here all year and work for the Town. I want to keep our space small, its not always about money, or for the super-rich... It should not matter how big your boat is?	3/18/2016 9:29 AM
39	We all know housing has been an issue for the past 10 years and now we are dealing with the consequences of little to no housing. 10 years ago I use to drive up on a minutes notice and stay places. Now no one can afford to live, rent or stay there and that is sad. The environment is equally important to me, human waste, water, garbage, ect.	3/18/2016 9:07 AM

41	keeping provncetown provncetown	3/18/2016 8:19 AM
42	The town would benefit with year round jobs and economic development. We already have many affordable housing units. Our aging community should focus on the aging population, and at the same time, welcome new folks by providing jobs and economic development.	3/18/2016 6:38 AM
43	keep arts in ptown, don't let it go to only the rich	3/17/2016 9:59 PM
44	As a former resident who was priced out: affordable housing for year-rounders and year-round economic sustenance (beyond tourism), both of which involve conservation and use of natural resources. As a visitor: social cohesion and cultural support, parking and transportation.	3/17/2016 8:53 PM
45	Controlled growth within our limited land boundaries, potable water supplies, and floodplain management.	3/17/2016 8:39 PM
46	a more vibrant year round community. If we could bring a college or university to Provincetown, this would be transformational.	3/17/2016 8:03 PM

Q5 What would you change about Provincetown?

Answered: 68 Skipped: 34

#	Responses	Date
1	Try to help residents be more positive and accepting of change.	3/31/2016 9:53 AM
2	People who think they know what is best for the town and mislead residents into thinking that we can attract high-paying jobs.	3/29/2016 1:19 PM
3	make it more affordable and accessible to all segments of our society; make it more sustainable and resilient in the face of climate change	3/28/2016 12:40 PM
4	No more large scale housing developments for any reason.	3/26/2016 8:36 AM
5	I would create industries that are mail order in nature from local craftspeople or salt or anything that can be manufactured right here.	3/23/2016 6:19 PM
6	It's lack of affordability	3/23/2016 2:10 PM
7	Too many positions at town hall	3/22/2016 10:24 PM
8	The contentious tone of conversation among the various stakeholders - Year Rounders, Part-Timers, government and non, etc.	3/22/2016 1:19 PM
9	random and arbitrary rulings and enforcement, close Commercial St when high number of pedestrians, have the BOS think big picture instead of getting bogged down in details of management, less drug use evident in town	3/22/2016 12:24 PM
10	Influx of loud non residents who would hope to become town oligarchs	3/22/2016 9:29 AM
11	People being forced to leave because of housing, not just cost but condo renovations, etc. The ugliness that has taken over discussions/politics about the town.	3/22/2016 8:50 AM
12	Housing and cost are two very important issues. And even though parking is an issue, I would love to see the McMillan Pier parking lot become waterfront recreation.	3/22/2016 8:24 AM
13	I think the town needs to be more focused. The BOS set goals and they are not realistic in such a short time frame. Instead of choosing 10 goals, maybe it should be 3 and expend your energy achieving them. Goals should be measurable and time sensitive.	3/22/2016 8:18 AM
14	Divisiveness and extremism	3/22/2016 7:45 AM
15	Housing availability and zoning ruled	3/22/2016 6:07 AM
16	Commercial Street no parking year round, no cars after 1100 AM in July and August. The resistance to change and the negativity around operating and starting businesses. Coming here beginning in 1982 and living here year round for 8 years the town still has the reputation of NO. This evident in the difficulty in the reduction of restaurants, guest houses and shops in town. Change is a part if our lives as is moving forward.	3/22/2016 3:47 AM
17	Decrease regulation	3/21/2016 10:26 PM
18	income disparity, recognition that cultural and historical includes a history of over 500 years - not just the last 100	3/21/2016 10:18 PM
19	Bad politics. Better support from our Selectman to volunteers	3/21/2016 10:14 PM
20	Limit cars on Commercial	3/21/2016 1:16 PM
21	No new condos. Taking away charm of town. Greedy people wanting to make profit.	3/19/2016 7:09 PM
22	I would limit the number of people who could enter by car in the summertime. Park outside town and insist on shuttles.	3/19/2016 6:26 PM
23	more year-round options	3/19/2016 6:25 PM
24	the greed of developers emphasis more on being a community that shines a light the environmental , local sustainability, less economic disparity	3/19/2016 3:28 PM

25	Not much. I like it as it is. I strongly suggest, however, that the town finds a way to take advantage of the talents and enthusiasm of 2d homeowners in supporting the visioning and bringing it to fruition. They also love the town, many plan to live here full time when they can, and they have much to offer with "new eyes" and varied perspectives.	3/19/2016 3:10 PM
26	I would make Commercial Street only open to property owner's automobiles and deliveries in the morning	3/19/2016 2:34 PM
27	Form of town government. We need a strong person running the town like a mayor	3/19/2016 12:43 PM
28	I am not sure. I don't think I have all the information needed to comment on this.	3/19/2016 11:13 AM
29	Too much "us versus them". You'd think the gay community would be accepting of others, but here too often there is unnecessary divisiveness. "Live & let live" would make this a much better place.	3/19/2016 9:40 AM
30	Bring a factory in town ..	3/19/2016 8:51 AM
31	Nothing right now .2016 but no more housing eat.. We will sink into the bay..	3/19/2016 8:45 AM
32	Divisiveness	3/19/2016 8:41 AM
33	Make Provincetown a year round community again. There are no families here. the school is closed. that is the death of the community.	3/19/2016 8:23 AM
34	Nothing....let it evolve naturally	3/19/2016 7:39 AM
35	The elimination of non family types	3/19/2016 1:42 AM
36	Eliminate the defensive attitude that demonizes others who ALSO love the place.	3/18/2016 10:02 PM
37	Need to work to get a younger generation here to take over	3/18/2016 7:47 PM
38	The rapid physical changes to the townscape. More preservation.	3/18/2016 4:41 PM
39	Get rid of the destructive blogs	3/18/2016 4:30 PM
40	more year-round businesses and job opportunities	3/18/2016 1:31 PM
41	The negativity of certain sectors.	3/18/2016 11:53 AM
42	domination of housing and economy by second homeowners	3/18/2016 11:24 AM
43	High cost of housing	3/18/2016 10:59 AM
44	Keep it Small - No big hotels, No 200+ Boat Slips...	3/18/2016 9:35 AM
45	Nothing.... except put a stop to the growth w/out looking out for the wash-ashores & locals that have help keep that town solid for so many years.	3/18/2016 9:15 AM
46	the nasty politics and people who come for a year and think they own the place	3/18/2016 8:50 AM
47	prevent vehicular traffic on commercial street after 11:00 am	3/18/2016 8:21 AM
48	The stores in Provincetown need a make over on their fronts and many on the inside too. Stop the over development and fix what is already here.	3/18/2016 6:43 AM
49	Make it more affordable for working class to live there.	3/18/2016 2:12 AM
50	condo conversion, create more of a reason for B&B's to open again, rather than rich people turning them all into single family houses. create affordable housing and low-income housing. create homeless shelter. create a community center that is actually one.	3/17/2016 10:06 PM
51	Parking spots continue to be removed. Create more not less parking. Get the hard drug off the streets. Bike paths for route 6. Slower speeds on route 6 starting at the Provincetown welcome sign	3/17/2016 9:09 PM
52	Zoning and building codes: restrict construction of mega-mansions, preserve historic structures. Marketing: aim for all kinds of visitors, not just rich ones with a sense of entitlement.	3/17/2016 8:56 PM
53	The summer traffic flow. The lack of sustainable community. The increased density for the wrong reasons and without proper monitoring.	3/17/2016 8:52 PM
54	a pervasive and counterproductive zero-sum attitude. One person or groups success is a shared community victory rather than a redistribution of benefit and someone else's expense.	3/17/2016 8:06 PM
55	Access to Town Hall for working folk on Saturday Half day.	3/17/2016 7:40 PM
56	Income disparity, too crowded in season, too much heavy drinking, gawking daytrippers, huge houses empty all winter.	3/17/2016 6:55 PM

57	I'd move the parking lot from MacMillan Wharf. build a multi storied parking structure at the rear of the parking lot by the high school and create housing on the front lot at the corner of bradford and prince street. I'd also make better use of the space at the land at the veterans memorial elementary school, Also I think the Police station should somehow be incorporated into the fire station even if that means closing off that section of Brown Street	3/17/2016 6:32 PM
58	No cars...make it like DisneyWorld with off site parking, land shuttles, water shuttles,ferries for minimal cost	3/17/2016 6:07 PM
59	how expensive it is because it is driving away the core of the community.	3/17/2016 6:02 PM
60	Small town bickering. Selectmen just make it worse. Sadly the selectmen are influenced by a very, very small part of Provincetown. By catering to that small group they alienate everyone else.	3/17/2016 5:53 PM
61	The people	3/17/2016 5:52 PM
62	Get rid of real estate brokers who are parasites	3/17/2016 5:43 PM
63	Corruption	3/17/2016 5:40 PM
64	I wish it still had its diverse population. Families are priced out, the town's becoming gentrified and too expensive.	3/17/2016 5:38 PM
65	no more condos - no more growth	3/17/2016 4:24 PM
66	I would like to see sidewalks that lead out to the Provincetown Theatre and Bradford Street East End shops.	3/17/2016 2:29 PM
67	better public access to the harbor, more year round jobs and residents	3/17/2016 2:25 PM
68	I miss the small town community it used to be. Growing up it always felt safe and small	3/17/2016 2:07 PM
