**Statement From Robin Craver, Provincetown Town Manager
Regarding George's Pizza Incidences
Sunday, June 28, 2020**

On Saturday, June 27, 2020 at 9:37 pm, the Provincetown Police Department received a 9-1-1 call for a fight in progress at George's Pizza.

Police responded to the call, investigated the incident and, as a result, a suspect was arrested for Assault and Battery on a Person Over 60 and Disorderly Conduct. This is a felony charge, and the suspect remains in custody.

Two other altercations occurred near MacMillan Pier were related to the first incident. Unfortunately, that suspect, who was identified as an associate of the individual arrested for assault and battery, fled the scene and has not yet been identified. The investigation is ongoing and further charges may result.

This is a reprehensible act of violence that will not be tolerated in our town. I am shocked and saddened to learn that a respected member of our community and a hard-working member of his staff were victims of assault. We are a welcoming town that values and respects people from all walks of life. We will not condone violence of any kind to the members of our community or to anyone who visits.

If anyone has any additional information, please contact the Provincetown Police Department at 508-487-1212.
