Section 2. Merger and Dissolution of Town Boards

- a. Unless otherwise prohibited by State law, the Appointing Authority of two or more Town Boards may merge those Boards by majority vote, after an opportunity for comment by the Chairs of both of the Boards and after receiving the recommendation of the Charter Compliance Commission whether merger would be in conflict with any provision of this Charter. The Finance Committee cannot be merged with any other Board.
- b. Boards that were created by a vote at Town Meeting can only be dissolved by a vote at Town Meeting. Prior to any vote to dissolve a Board, the Charter Compliance Commission shall be asked whether dissolution shall negatively impact on the Town's Home Rule status or this Charter.
- c. Boards that were created by a vote of the Board of Selectmen can be dissolved by a majority vote of the Board of Selectmen after an opportunity for the Public to comment on the potential impact of abolishing the Board.
- d. In the event that an appointed, non-regulatory Town Board shall have failed to convene a meeting for the period of one year, or shall have had no members for one year, the Town Clerk shall notify the Appointing Authority, the Board of Selectmen and the Charter Compliance Commission. If that Town Board does not convene a meeting for a period of six months immediately following that notice, then it shall be automatically dissolved.

Section 3. Rules of Town Boards

- a. The Town shall maintain a Handbook for Members of Town Boards describing their general responsibilities as members. In the event of a conflict, this Charter shall prevail over any contradiction in the Handbook.
- b. A copy of all rules and regulations adopted by a Town Board – including procedures for Public Hearings - shall be filed with the Town Clerk and posted on the Town website.

Section 4. Membership on Town Boards

- a. Unless otherwise specified in Massachusetts General Laws or this Charter, each Town Board consists of five regular members and two alternate members. New members shall not participate in a Board meeting until they have been sworn in by the Town Clerk. Alternate members shall have the right in order of seniority on the Board to vote at a Board meeting in place of a regular member who is absent.
- b. A paid Town Employee may not be a member of any Town Board that oversees matters in any way related to his or her employment, during the time of his or her employment. Potential responsibility to review actions or decisions by one's supervisor is considered to be "related to employment". In addition, a paid Town Employee with supervisory duties may not be a member of any Town Board in any way related to his or her employment for at least one year after leaving that employment.
- c. Members of a Town Board may not receive compensation for service on the Board except reimbursement for expenses pertaining to Town business. A voucher must be submitted for such expenses. By majority vote of Town Meeting and under authority of this Charter, the Town may establish or suspend an annual stipend for members of the Board of Selectmen, the amount of which shall be specified in the Bylaws.
- d. Members of Town Boards shall be governed by the ethical standards set forth in the Massachusetts General Laws Chapter 268A, as supplemented by this Charter. In general, a member of a Town Board may not serve as a paid consultant or contractor for the Town for work which is in any way related to the Board on which they serve or on which they have served within the past year.
- e. Members of the Town Boards listed below may not serve as a paid consultant or contractor for the Town while serving on the Board and for one year after serving, even if the work is not related to the Board on which they serve or have served:
 - 1) the Board of Assessors,
 - 2) the Charter Compliance Commission,
 - 3) the Finance Committee,
 - 4) the Personnel Board, or
 - 5) the School Committee.
- f. Members of Town Boards, including the Officers, have no authority in their individual capacities except as delegated by majority vote of the Board, except that administrative matters, such as the posting of Agendas, may be handled by Officers without prior approval.

Section 5. Meetings and Officers of Town Boards

- a. A quorum for a meeting of a Town Board shall be a majority of the number of positions available to the Board, not including Alternates. If State law allows for a larger number of positions, but the Town has chosen to designate a smaller number, it is the number of positions that the Town has chosen which shall be the basis for determining quorum. Vacancies shall not affect the number required for a quorum. Alternates count toward quorum only if they are taking the place of an absent Member.
- b. Unless another number is required by the Massachusetts General Laws or this Charter, no action of a Town Board shall be valid and binding unless ratified by an affirmative vote of the majority of the Members present, not including Alternates unless they are taking the place of an absent Member.
- c. At its first meeting after the Annual Town Election, and any time a position is open, each Town Board shall elect a Chair, a Vice Chair and other necessary officers. Since the term of the Finance Committee continues until July 15th to cover to the end of the fiscal year, their election would occur at that time. The names of the elected Officers shall be reported to the Town Clerk whenever an election takes place.
- d. It is the responsibility of the Officers of a Board to educate their Members about the authority and responsibility of the Board.
- e. No member of a Town Board may serve as Chair for more than six consecutive years, unless at the end of the sixth year (and each successive year) no other member is willing to serve as Chair.
- f. All Town Boards have the authority to conduct Public Hearings after adopting appropriate procedures.

Section 6. Rules Specific to the Regulatory Town Boards

- a. Regulatory Town Boards are those Boards authorized by Massachusetts General Laws to establish regulations applicable to activities within their authority. The following are identified as the Regulatory Town Boards for the Town of Provincetown:
 - 1) the Conservation Commission,
 - 2) the Board of Health,
 - 3) the Historic District Commission,
 - 4) the Licensing Board,
 - 5) the Planning Board,
 - 6) the Water and Sewer Board, and
 - 7) the Zoning Board of Appeals.
- b. Members of Regulatory Town Boards must be registered voters in the Town of Provincetown, unless otherwise allowed or directed by State law.
- c. Members of Regulatory Town Boards may serve for only three three-year overlapping full terms. When a member is appointed to complete the term of another, it shall count as a full term if it exceeds 18 months. Members may be re-appointed after an absence of one year.

d. No person shall serve as a member/alternate member of more than one of the Regulatory Town Boards simultaneously.

e. Since failure of a Regulatory Town Board to act is an abdication of responsibility under the Home Rule laws, in the event that there are an inadequate number of members appointed to provide quorum for any Regulatory Town Board, the responsibilities of that Board shall fall to the Board of Selectmen.

Section 7. Rules Specific to Appointed Town Boards

a. The Moderator is the Appointing Authority for the Finance Committee and the Personnel Committee. The Town Manager is the Appointing Authority for the Conservation Commission and the Historical Commission. The Board of Selectmen is the Appointing Authority for all other appointed Town Boards. Appointment by the Board of Selectmen shall be by majority vote.

b. No person shall be appointed to a Town Board:

- 1) unless determined to be qualified by the Appointing Authority, or able to become qualified by serving and there are sufficient number of members already serving on the Board who are qualified to carry out the responsibilities of the Board,
- 2) if appointment would be contrary to the Conflict of Interest laws, or
- 3) based on political party consideration, with the exception of the Board of Registrars or as otherwise provided by State law.

c. If the Appointing Authority determines that there are an inadequate number of registered voters who are willing to serve as members or alternates on appointed non-regulatory Boards, then the Appointing Authority may appoint part-time residents to serve as alternates, as long as the majority of members are registered voters. Individuals who are not registered voters shall be appointed to a non-regulatory Town Board only if they can commit to being present for a majority of the meetings of the Board.

d. A member or alternate member of any Town Board who is absent from three consecutive meetings without informing the Chair shall automatically cease to be a member of the Board. The Chair shall notify the Appointing Authority and the Town Clerk in writing. The Appointing Authority shall then follow the procedure below for filling vacancies on Appointed Town Boards.

e. Vacancies on appointed Boards shall be filled as follows:

- 1) The Appointing Authority shall fill the vacancy within sixty days of the receipt of the notice of vacancy.
- 2) In the event of the failure of the Appointing Authority to fill the vacancy within the allotted time, and when the Moderator is not the Appointing Authority, the Moderator shall fill the vacancy within thirty days.
- 3) In the event of the failure of the Appointing Authority/Moderator to fill the vacancy within the allotted time, the Board may fill the vacancy, unless the Board lacks the quorum to act.

f. There is no time limit for service on an appointed, non-regulatory Board.

g. An appointed member of a Town Board may be removed for Good Cause as outlined below:

- 1) A written notice to remove shall be sent by the Town Clerk by registered mail to the last known address of the member who is proposed to be removed. The notice shall include a

statement by the Appointing Authority of the reasons for the removal which must be based on a finding of Good Cause.

- 2) Within one week of receiving the written notice, the member may resign or may request a closed meeting with the Appointing Authority by delivering written notice to the Town Clerk. If the member does neither, the Town Clerk shall send out a written notice identifying a date and time within fourteen (14) days for a Public Hearing on the proposed removal.
- 3) If the closed meeting takes place, within seven (7) days following adjournment of the closed meeting, the member may resign or may request a Public Hearing by delivering notice to the Town Clerk. The Public Hearing shall be held within fourteen (14) days of the request. If the member fails to resign or to request a Public Hearing, the Appointing Authority shall decide whether to remove the member for Good Cause. The decision shall be by a majority vote if the Appointing Authority is a multi-member body.
- 4) The member who is proposed to be removed may be represented by counsel at his or her own expense at the closed meeting as well as at the Public Hearing. The member and the Appointing Authority shall be entitled to present evidence, call witnesses, and examine any witness at the Public Hearing.
- 5) Within ten days after the Public Hearing is adjourned, the Appointing Authority shall decide whether to remove the member for Good Cause. The decision shall be by a majority vote if the Appointing Authority is a multi-member body.
- 6) A notice of the decision whether or not to remove the member and the reasons therefor shall be sent by the Town Clerk by registered mail to the last known address of the member.
- 7) This procedure does not grant any rights when a member who has been appointed to a fixed term is not reappointed when the term expires.

h. The Appointing Authority shall file a copy with the Town Clerk of each notice of appointment or rescission of an appointment to a Town Board, and the same shall be a public record.

Section 8. Rules Specific to Elected Town Boards

- a. Elected members of Town Boards serve for three-year overlapping terms, each term beginning the day after the member is elected and ending at the close of the Town Election day three years later.
- b. Vacancies on elected Town Boards shall be filled in accordance with Massachusetts General Law Chapter 41, Section 11.
- c. Members of elected Town Boards shall be registered voters in the Town throughout their terms. Failure to remain a registered voter shall result in the automatic removal of the member.
- d. No paid Town Employee may simultaneously serve as a paid Town Employee and on an elected Town Board. No member of an elected Town Board may become a paid Town Employee while serving on the Board.
- e. Members of elected Town Boards and elected individuals, such as the Moderator, can be removed from service on such Boards only by the recall process delineated below:
 - 1) Any fifty (50) registered voters of the Town may file with the Town Clerk an affidavit naming an elected Official sought to be recalled along with a list of the specific grounds for recall.

- 2) No recall petition can be issued against an Official within three (3) months after that Official takes office, nor within six (6) months of the end of their term. In the case of an Official subjected to a Recall Election but not recalled, no further Recall Petition shall be accepted within the six (6) months following the Recall Election.
- 3) After confirming that the affidavit meets the requirements above, the Town Clerk shall issue dated Recall Petition blanks bearing the Town Clerk's signature and official seal, addressed to the voters who swore to the affidavit, in a manner consistent with the requirements of the Commonwealth. The Recall Petitions shall state the name of the Official sought to be recalled, the specific grounds for recall, and the demand for Election of a successor. Upon request, the Town Clerk may issue any reasonably required number of Recall Petition blanks but no fewer than enough to collect the signatures of at least ten percent (10%) of the registered voters. Additional Recall Petition blanks may be issued when all of those originally issued have been filled with voters' signatures. A copy of the Recall Petition shall be kept by the Town Clerk.
- 4) Unless otherwise permitted by the Commonwealth, signatures must be obtained on the issued Recall Petition blanks, not copies. The Recall Petitions must be signed by no fewer than ten percent (10%) of the registered voters, and must legibly state the home street address and the house or unit number of the residence of each signer. The signed Recall Petitions must be returned to the Town Clerk within twenty (20) days after the initial issuance of the Recall Petition blanks.
- 5) Within twenty-four (24) hours of receipt, the Town Clerk shall confirm the authenticity of each signature on the Recall Petitions and refer the Recall Petitions to the Board of Registrars of Voters to certify the signatures. Then the Town Clerk shall submit the Recall Petitions to the Board of Selectmen.
- 6) The Board of Selectmen shall give written notice of receipt of the certificate to the Official identified in the Recall Petition. The Official may choose to resign by submitting a written resignation to the Town Clerk. Resignation shall be effective at 11:59 p.m. of the fifth (5th) calendar day following receipt by the Town Clerk of the written resignation.
- 7) If the Official has not submitted a written resignation within five (5) days, the Selectmen shall order a Recall Election to be held on a date not less than seventy-five (75) or more than eighty-five (85) calendar days after the date of the Town Clerk's certificate. However, if any other Election is scheduled to occur within one hundred (100) calendar days after the date of the certificate, the Selectmen shall postpone the Recall Election to the date of the pending Election. The Incumbent who has not resigned as described above, shall continue to perform the duties of the Office until the Recall Election.
- 8) If after a Recall Election has been ordered, the Official resigns or a vacancy otherwise occurs because the individual has died or no longer qualifies as a registered voter of the Town, the Recall Election shall proceed solely for the purpose of electing a successor. Candidates shall be nominated in the same manner as for an Annual Election.
- 9) Ballots used in a Recall Election shall state the following in the order indicated:
 - For the Recall of [name of Official]
 - Against the Recall of [name of Official]
- 10) Immediately at the right of each proposition there shall be a square in which the voter may vote for or against recall by making a mark. Under the propositions shall appear the word "Candidates", the directions to voters required by Massachusetts General Laws Chapter 54, Section 42, and beneath this the names of the candidates nominated. The nomination of candidates, the publication of the Warrant for the Recall Election, and the conduct of the Recall Election, shall comply with the laws governing elections.
- 11) A majority vote of at least twenty-five percent (25%) of registered voters is required to recall an elected Official. If fewer than twenty-five percent (25%) of registered voters cast a

- ballot, the ballots regarding the Recall shall not be counted.
- 12) If the Recall Election fails, the Official shall continue in Office for the remainder of his/her term, and is subject to Recall as before, except as provided above.

CHAPTER 8 TRANSITION PROVISIONS

Section 1. Effective Date

After adoption by the voters, this revised Charter shall take effect on July 1 of the year of its adoption.

Section 2. Town Boards - General

This list of Town Boards in the previous Charter was not current. The Commission determined that keeping the listing current was complicated by the fact that the Charter can only be revised, in accordance with State law, by a process that required legislative approval, and the listing was not valid or valuable if incomplete or incorrect. Therefore, the Commission decided to remove the listing from the Charter and to mandate that the Town Clerk keep a current list of Town Boards.

All Town Boards that were in place when this Charter was revised shall continue to exist until modified, merged or dissolved in accordance with this Charter. Those persons who are serving on Town Boards at the time the Charter is adopted shall continue to serve in accordance with their appointment or election.

Section 3. Charter Compliance Commission

The Charter Enforcement Commission has been renamed the Charter Compliance Commission and its responsibility has been modified to focus on education to encourage compliance with the Charter and assistance to the Board of Selectmen and the Town Manager in their responsibility to compel compliance with the Charter.

Those persons serving on the Charter Enforcement Commission at the time the Charter is adopted shall become the members of the Charter Compliance Commission and shall continue to serve in accordance with their election.

Section 4. Impact on Existing Laws, Agreements, or Litigation

All special acts, by-laws, resolutions, rules, regulations, and votes of the Town Meeting in force on the effective date of this revised Charter which are not inconsistent with its provisions shall continue in force and effect until amended or repealed. All contracts, leases, franchises and obligations entered into by the Town, or for its benefit, prior to the effective date of this revised Charter shall continue in full force and effect. No action or proceedings, civil or criminal, in law or in equity, pending at the time this revised Charter takes effect, brought by or against the Town or any Office, Department, Employee, Town Board, or any other agency of the Town, shall be affected or abated by the adoption of this revised Charter.
